

# Confirmed Speaker

## Mr Greg Bentley

September 10, 2018

Greg is the CEO of Bentley Systems, the global leader dedicated to providing engineers, architects, constructors, geospatial professionals and owner-operators with comprehensive software solutions for advancing infrastructure. Founded in 1984, Bentley has more than 3,000 colleagues in 50 countries, more than \$600 million in annual revenues, and since 2012 has invested more than \$1 billion in research, development, and acquisitions.

Previously, Mr. Bentley founded a financial trading software firm which became part of SunGard Data Systems, Inc., an S&P 500 company on whose public-company board he served from 1991 through 2005. Mr. Bentley holds an M.B.A. in Finance and Decision Sciences from Wharton. He is a trustee of Drexel University, where he also serves as Chairman of the Advisory Board for the Pennoni Honors College.
