

Confirmed Speaker

Dr Thomas Birtel

September 10, 2018

Thomas Birtel graduated with a doctorate degree in economics from Ruhr-University Bochum in 1982. He began his career in 1983 at the former German trading and industrial plant construction group Klöckner & Co, where he advanced to head of accounting for Klöckner Industrie- Anlagen GmbH.

In 1989, he joined the management of the Sweden's Frigoscandia Group and became chairman of the management board for the Central European region. Dr Birtel joined the STRABAG Group in 1996 as a member of the Management Board of STRABAG Hoch- & Ingenieurbau AG, was appointed to the Management Board of STRABAG AG, Cologne, in 2002 and to the Management Board of STRABAG SE in 2006.

Thomas Birtel holds the position of CEO of STRABAG SE since 15 June 2013.
