

Confirmed Speaker

Mr Loïc Chapon

September 11, 2018

Head of the French subsidiary (Eur 96 Mio) of the Bertrandt engineering group (Eur 994 Mio). 13,000 employees are working all over the world for the automotive, aerospace, electromobility, energy, mechanical engineering and medical techniques.

Managing Director of Bertrandt SAS and Deputy Chief Executive Officer of Bertrandt France SA, I started my career in 1989 at IAD UK Ltd, an engineering Automotive company. After several experiences in product and process development, in project management and business development, I joined the Bertrandt group in 1999. Member of the executive committee since 2003, I held various positions of responsibility before joining the general management in 2012 as Deputy. I was appointed Executive Director in 2015.

Elected member of the Consulting and Technology Engineering Office of Syntec since 2012 and member of the Management Board of Syntec-Ingénierie since 2016.

Member of the Administrative Board of RAVI, Automotive and Véhicules Networks in the parisian area.
