

Confirmed Moderator

Mr Volker Cornelius

September 11, 2018

Volker Cornelius has been president of the German Association of Consulting Engineers (VBI) since 2003. As a Consulting Engineer (German Diplomingenieur) he was a founding partner of the Consultant Engineering company “CSZ Ingenieurconsult Cornelius-Schwarz-Zeitler GmbH” since 1982 until his son Christoph took over his company’s shares in 2013. The Engineering company CSZ has its headquarter in Darmstadt with branches Germany and China.

After his doctorate in 1980 Volker Cornelius spent a post-doctorate at the University of Colorado, Boulder, USA supported by a grant of the Alexander-von-Humboldt Donation.

During his professional life Volker Cornelius has been member of numerous technical working groups, standardization committees and high level political committees driving the interest of Consulting Engineers forward.
