

Confirmed Speaker

Mr Gavin Dunnett

September 11, 2018

Gavin Dunnett currently heads the department responsible for the techno-economic appraisal and monitoring of all of the Bank's transport projects.

After studying civil engineering and transport economics in the UK, he joined ARUP, one of the largest engineering consultancies in the world. He became a Chartered Engineer and a Fellow of the Institution of Civil Engineers after working on the feasibility, design and project management of a variety of major transport projects.

He joined the European Investment Bank as a senior transport specialist in 2003, working on the techno-economic appraisal of EIB transport investments, before taking over responsibility for the Aviation and Maritime sectors and eventually for the entire transport portfolio.
