

Confirmed Speaker

Mr Frank Steinbacher

September 10, 2018

Frank studied civil engineering at the University of Munich with a focus on water engineering and construction operation.

During his PhD work he focused deeper on optics and electrical engineering. Next to its family company Steinbacher-Consult he founded and become CEO of AirborneHydroMapping GmbH and eLoaded GmbH.

He has 15 years' worldwide experience in planning, engineering and management with local authorities, large consultancies and SMEs.

Since 2007 he is a visiting professor at the University of Innsbruck and the University of Weihenstephan-Triesdorf.
