

Confirmed Speaker

Mr Gunther Adler

September 11, 2018

Gunther Adler was born in Leipzig in 1963.

He studied human medicine from 1986 to 1990, and subsequently political science, sociology and constitutional law.

During his political career Gunther Adler was constantly in touch with the issues of infrastructure and building: After working as Head of the Policy Planning Division at the then Federal Ministry of Transport, Building and Urban Development he was Head of the Foreign Trade Division at that Ministry. In 2012 he became State Secretary at the Ministry for Building, Housing, Urban Development and Transport of the federal state of North Rhine-Westphalia. Before being appointed State Secretary at the new Federal Ministry of the Interior, Building and Community in 2018, Gunther Adler had been already State Secretary at the then Federal Ministry for the Environment, Nature Conservation, Building and Nuclear Safety.
