

Confirmed Speaker

Mr Keith Howells

September 10, 2018

Chairman of the Mott MacDonald Group since 2011, Keith Howells has built career long experience in the planning and design of hydraulic structures, irrigation, flood alleviation, hydropower, urban drainage, sewerage, water supply and river engineering projects. He has led major projects, many funded by the World Bank, the EU or DFID, and gained experience in numerous countries including Nigeria, Iraq, Kenya, Pakistan, Nepal, Hong Kong, China and India, as well as in the UK. He ran the firm's Water and Environment business from 1997 to 2002, before becoming the Group Managing Director in 2004, directing the firm's expansion in North America, Africa, Australasia and South America.

Keith is a Fellow of the Institution of Civil Engineering, an Honorary Fellow of the Chartered Institution of Water and Environmental Management and a Fellow of the Royal Academy of Engineering. Keith was Chairman of the Association for Consultancy and Engineering in 2013, its Centenary Year, is a member of the CBI's Construction Council and a member of the Cranfield School of Management Advisory Board.
