## Mr Oliver Kömpf

September 11, 2018

After completing his studies in Electrical Engineering at the University of Frankfurt, Oliver Kömpf started his career as a product specialist at the electronics company Ricoh. In 2005, Oliver became Head of Managed Service Providing (MPS) at Hays AG. In 2011, Oliver was appointed Director. Since then, he has not only been responsible for our MSP business, but also for the Recruitment Process Services business unit. Both services were brought under the auspices of Hays Talent Solutions (HTS) in 2012.

As part of our global HTS strategy, Oliver's areas of responsibility have expanded to include additional regions and a constantly growing range of services. In his position as a Managing Director, it is Oliver's goal to be a driver of innovation for our customers. He wants to make their workforce management solutions so efficient that they not only meet the requirements of today, but will overcome the challenges of tomorrow.
