

Confirmed Speaker

Mr Manish D. Kothari

September 10, 2018

Mr. Manish D. Kothari is President/CEO of Sheladia Associates, Inc., an international engineering and architecture consulting firm based in Rockville, Maryland, USA. He is also Chair of the American Council of Engineering Companies (ACEC), the oldest and largest business association of engineering companies in the United States representing over 5,000 American engineering firms; Economic Development Commissioner for the State of Maryland; and Member of International Trade Advisory Council for professional and financial services. Mr. Kothari has led Sheladia in his present role since 1999 and has 30 years of varied engineering experience on infrastructure projects involving design, construction support, and management in the USA and internationally. Prior to Sheladia, he worked with Bechtel Corporation, USA as an Engineer Specialist and as Vice President with D2 Consult GmbH, Austria. Mr. Kothari has an M.Sc. in Civil Engineering from the University of Michigan and Bachelors in Civil Engineering from Mangalore University, India.
