## Mr Jason Zhengrong Lu

September 11, 2018

Jason Zhengrong Lu is the Head of the Global Infrastructure Facility (GIF). Prior to the GIF, Lu worked at the Multilateral Investment Guarantee Agency (MIGA) of The World Bank Group for 10 years. While at MIGA, Lu worked on a broad range of complex energy and infrastructure projects worldwide. He has built expertise in managing and closing complex projects and advising clients on infrastructure financing, risk mitigation and credit enhancement to support their investment and financing needs in emerging markets and developing economies. Lu started his banking career with Bank of America in its Global Project Finance Group in 1996 where he was responsible for transaction structuring and execution. He also worked at ABB Energy Capital with responsibilities for renewable energy financing in the United States and State Street Bank and Trust Company in credit and portfolio management. Lu holds graduate degrees from Yale University (MBA), Central European University (Prague), and China's Peking University. Most important professional accomplishment – operationalizing the Global Infrastructure Facility and doubling the pipeline of activities in a short span of time.
