

Confirmed Speaker

Jorge Diaz Padilla, Ph.D

September 9, 2018

Born and raised in Mexico City, Dr. Díaz Padilla has worked in the consulting engineering and construction industries for more than 40 years. Trained and registered as a civil engineer he received Engineering and Masters Degrees from the National University of Mexico and a Ph.D. in engineering systems at the Massachusetts Institute of Technology (MIT).

In 2005 Dr. Díaz Padilla was appointed as the 26th President FIDIC and has been the only Latin American to lead this organisation since its founding in 1913. Currently Dr. Díaz Padilla chairs the FIDIC Integrity Management Committee and is responsible for the development and monitoring of anti-corruption initiatives in the consulting engineering industry.
