Mr Michael Walker

September 9, 2018

Michael Walker manages the Saskatchewan offices of McElhanney's Consulting Engineering group in Canada, and manages high profile, multi-disciplinary projects across Western Canada.

He has consulting and construction experience over a large variety of infrastructure projects. Has delivers a large number of projects on schedule and budget through challenging conditions.

Having been involved with ACEC Canada since 2012, Michael was able to participate in 2016 YPMTP, and has been involved with the YPFSC since 2017. He is a strong advocate for FIDIC programs in Canada, and is working to increase Canadian participation and networking. He has shared his Canadian experiences with the FIDIC groups, and takes his international networking skills back to Canada to help grow the YP groups.

Michael has received 2017 ACEC – Saskatchewan Young Professional Award, ACEC Canada 2018 Allen D. Williams Scholarship, and 2018 Association of Professional Engineers & Geoscientists of Saskatchewan / Promising Young Member Award.
